WPMB No.687 of 2001

Hon'ble A.A. Desai, C.J.
Hon'ble M.C. Jain, J.

Heard Sri Kedar Singh Rawat, learned counsel for the petitioner.

The petitioner has prayed for independent inquiry into the matter. Accordingly to him, there is group rivalry and the investigating agency is likely to take side. However, at this stage it is merely a hypothetical claim of the petitioner, which can not be entertained in absence of any positive proof.

The petition is, therefore, dismissed.
